### **Dr. Lance H. Brown**

As a dermatologic surgeon, NYU professor, and former president of the Dermatological Society of Greater New York, Dr. Lance H. Brown is highly sought after. "Injectables such as Botox and Dysport, as well as fillers like Restylane and Radiesse, are quick, safe, and without downtime or limitations related to sun exposure," says Dr. Brown of his patients' most popular requests. **386 Montauk Hwy., Wainscott, 725-1771; [drlancebrown.com](http://drlancebrown.com)**
