**BOARD CERTIFIED DERMATOLOGIST AND PRESIDENT-ELECT OF THE
DERMATOLOGIC SOCIETY OF GREATER NEW YORK,
DR. LANCE H. BROWN
TAKES HIS COMPREHENSIVE PRACTICE TO EAST HAMPTON, NY**

New York, New York, May 9, 2008 – Citing increasing demand for a higher level of dermatologic treatment in the Hamptons, Board Certified Dermatologist Dr. Lance H. Brown has expanded his Manhattan practice to include an office at 386 Montauk Highway in Wainscott. His telephone number there is 631-725-1771.

As summer draws near, many Hamptons residents become increasingly conscious of the effects of too many seasons in the sun. Those seeking to look as rested and youthful as they feel should welcome Dr. Brown's cutting-edge expertise.

"The Hamptons are a refuge from stress," said Dr. Brown. "My practice adds another dimension to the idea of a restorative long weekend."

Dr. Brown's cosmetic dermatologic services include a variety of beneficial fillers and injections, all of which he has extensively researched, trained in and tested.

Dr. Brown is also one of the elite few physicians in New York who perform cosmetic surgery using Fraxel® laser technology. His state-of-the-art technique helps patients rejuvenate their skin by removing fine lines, dark spots and other effects of sun damage. As a non-invasive procedure, patients achieve a refreshed appearance with minimal down time. Dr. Brown additionally deploys laser treatments to remove unwanted hair, tattoos, acne scars and non-cancerous lesions.

Dr. Brown takes a comprehensive approach to skin care, offering patients the latest technology and information along with an uncompromising commitment to outstanding outcomes that promote both the health and aesthetic appearance of his patients' skin.

"Patients who come to me should know that I will be the one performing every procedure," said Dr. Brown. "Whether it's a cosmetic injection, Mohs' micrographic surgery for skin cancer or Fraxel laser photorejuvenation, I practice hands-on medicine. Every treatment, every patient."

Dr. Brown is Board Certified by the American Board of Dermatology, President-Elect of the Dermatologic Society of Greater New York and the Assistant Clinical Professor of Dermatology at New York University School of Medicine.

A sought-out authority in his field, Dr. Brown has addressed dozens of dermatological conferences, sharing his latest advancements in surgical technique as well as discoveries in the treatment of skin allergies, infections, acne, alopecia and psoriasis. He frequently publishes his work in prominent, peer-reviewed journals including the *Journal of the American Academy of Dermatology*, *Skin and Aging* and *Cosmetic Dermatology*.
